

Building Safety Certificate

The School Building of Parmar International School & Main Road Kailash Nagar Near Banehra, Tehsil Ghanari Distt. Una (HP) inspected by the Junior Engineer (Section Daulatpur -III) on Dated 30-1-2025. It has been observed that no earth quake resistant provisions has been adopted for this building and no structural drawing is approved by the competent Govt. certified Engineer which has been produced at the time of inspection and moreover no assistance was taken from Public Works Department for construction of the building. Hence the structural safety of this building cannot be assured specially from earthquake resistance point of view. This department will not be held responsible for any type of loss of life and property etc. if this structure fails under any circumstances. The year of the construction of the building is 2004 as certificate issued by the Principal Parmar International School & Main Road Kailash Nagar near Banehra, Tehsil Ghanari Distt. Una (HP) However as per visual inspection of the building, it has been found safe at present stage only for the year 2025 to 2027 (Three year) as per Guidelines issued by the Spl. Secretary (PW) to the Govt. of HP notification No. PBW (B) E (3) 95/2019 dated 5.5.2021
